Dark Blue Theme

This page has a dark blue background with white text. Each page can have its own color scheme.

Perfect for:

• Title pages
• Section dividers
• Branded covers

Dark Green Theme

This page has a dark green background. Create visually distinct sections with different colors.

Great for:

• Success pages
• Verification pages
• Completion certificates

Purple Theme

This page has a purple background. Mix and match colors to create unique document layouts.

Use cases:

• Premium reports
• Executive summaries
• Special announcements

Teal Theme

This page has a teal background. Create professional multi-page documents with distinct visual chapters.

Perfect for:

• Chapter dividers
• Status updates
• Progress reports

Red Theme

This page has a red background. Use bold colors to draw attention to important information.

Use for:

• Alert pages
• Important notices
• Critical information
